About me

I am Simmens Romario, a creative professional with over eight years of experience in graphic design, UI/UX, and digital media. Currently working as a Senior Production Artist at RR Donnelley, I specialize in branding, creative and detail-oriented design, and AI-powered design solutions. With expertise in Adobe and Google suites. Skilled in collaborating with teams, to accelerate design work flows, enhance concept ideation, and deliver impactful user experiences. Strong team management and multitasking skills enable me to efficiently handle multiple projects simultaneously.

Experience

Senior Production Artist | *04.2024 - Present*
RR Donnelley | www.rrd.com

Responsibilities:

- Oversee and finalize high-quality artwork for print, packaging and digital media, ensuring accuracy, consistency and adherence to brand and technical standards.
- Collaborate with designers, art directors and brand manager to translate creative concepts into production ready files and manage proofing and delivery.
- Manage queue, streamline workflows, maintain organized asst management and mentor junior artists while ensuring efficient, error free production output.

Production Artist | *09.2021 - 03.2024*
RR Donnelley | www.rrd.com

Responsibilities:

- Develop creative advertising content for various media, including catalogues, menus, business cards, flyers, posters, while ensuring maximum brand awareness of target audience/market.
- Conceptualize logo design, gif animations, websites, and social media channels to promote product brands.

Creative Designer | *10.2020 - 09.2021*
Studio 3 Creations | www.studio3creations.com

Responsibilities:

- Create updated design trends and develop visually engaging designs for print, digital and social media.
- Collaborate with team to deliver creative, high quality and consistent visual content for logos, posters, illustrations, etc. while mentoring my juniors and managing queue.

Junior Graphic Designer | 09.2017 - *09.2020*
Ad2pro media solutions | www.2adpro.com

Responsibilities:

- Create visually appealing designs that align with brand identity.
- Support seniors in producing high quality visuals and maintaining organized project files.
